The Fund's main aim is to ensure that your educational needs are taken care of, and your money is managed in the best way possible so you can have peace of mind.

Getting to know the Fund

You are here

Let's navigate you through some important questions to help you to understand the Fund.

What is a beneficiary fund?

A beneficiary fund takes care of money you inherited from the death of a loved one. You have a professional person managing your money to make sure it is protected and lasts as long as possible. These professionals (trustees) always have your best interests at heart.

Why is my money in the Alexander Forbes Beneficiary Fund?

When an employee or a member of a retirement fund passes away, the employer or the trustees of the retirement fund can decide to put your share of the death benefit in the Alexander Forbes Beneficiary Fund. The beneficiary fund protects your money until you reach the age that is specified on your membership certificate when you have to leave the Fund or there's no more money left in your account.

How do I get money out of the Fund?

- 1. As an income:** regular monthly income payment
- 2. Other expenses over and above the yearly income:** this has a limit and must be applied for

How do I apply for money if I have other expenses?

You can apply for money for expenses like transport, uniform, books and so on, as long as you haven't reached your "limit" for the year. This limit for other payments is calculated every year to make sure your money lasts for as long as possible.

Contact our offices to find out what your limit for the year is.

What exactly does the beneficiary fund do for me?

A beneficiary fund receives, manages and invests your money to make it last as long as possible. It also ensures your money is used to pay for your:

education

day-to-day expenses

personal growth

general wellbeing

How is my money grown in the Fund?

The trustees of the beneficiary fund have chosen investments that will help your money grow so that it can pay for your needs. The administrator, Alexander Forbes, will send you a financial statement and an investment report every year to show you how your money has been managed

This is how you apply for other payments

EDUCATION

If you need money for your education, please send us:

1. an invoice, statement or letter from the school, college or university on their letterhead with their stamp, showing:
 - your name (beneficiary)
 - grade, course or standard
 - a detailed breakdown of fees
2. most recent report card
3. bank account details of the school, college or university
4. the name of a contact person at the school, college or university, their telephone number, fax number and email address
5. a list of each item and prices for the school uniform, stationery and textbooks
6. written confirmation of transport expenses such as a letter from the transport company on their letterhead, listing the amount per month and the months to be included

Note: School fees take priority over other requests

Uniform requests are only granted every two years

The trustees must approve all payment requests

MEDICAL EXPENSES

For medical expenses, please send us a formal statement from the medical practice with a valid practice number

OTHER EXPENSES

For other expenses such as clothing, transport, school uniforms or books as the need arises, please send us:

- a signed letter explaining the request from the guardian, caregiver, or beneficiary who is over 18 years old, as applicable
- an invoice, quote or statement supporting the request

How long will it take to receive the payment?

15
working
days

Peak times

December and March

Approximately 15 working days* from the date that we receive all required documents

10
working
days

Off-peak times

April to November

Approximately 10 working days* from the date that we receive all required documents

Remember, we cannot process the payment until all required documentation is received. To avoid unnecessary delays ensure that all the required paperwork is provided

*This does not include weekends and holidays.

**Some
important
information
to take note of:**

- All payment requests depend on the amount of money you have available
- Always write your address and cellphone number, and sign the application
- Write your unique reference code from your membership certificate on all applications: AFBF - XXXXX/00000
- Apply for education expenses at least one month before the payment due date to avoid delays
- Large payments for other expenses will reduce your investment value and your monthly income payments

The Beneficiary Fund communicates with you regularly

At the beginning to confirm when your account is opened

You get a welcome letter, a membership certificate and this beneficiary guide when your account is opened.

At the beginning

1

2

Every year

Every year to confirm that you are still alive

A security check is done at least once a year

You can call us on
0860 004 146

Or you can send us a certificate of existence by July every year

This certificate needs to be signed by you and another person that you trust (witness)

Why?

- 1 So that we know that you are still alive and we need to continue your payments
- 2 To prevent fraud

Over and above your yearly security checks

Every few years we may ask you to send a *certificate of existence form* for the additional security of your account. We will explain the process to you in the cover letter that comes with the *certificate of existence form*.

Every couple of years

When you run out of money

If the money runs out before reaching the age of 18, as applicable, we'll notify you that your account will be closed.

Reaching the end date

If you reach the end date when you have to leave the fund and you still have money in your account, you'll get a **letter of instruction form** to tell us what to do with the money. Your account will remain open, but the regular payment will be suspended. You'll have two options:

- ⌚ have the remaining money paid out OR
- ⌚ keep the remaining money invested in the Fund and for monthly payments to be made into your bank account

Please complete this form and send it back to us, together with a certified copy of your ID. This may take up to 20 working days from the day that we receive all required documents.

NOTE: You can email or fax us copies of the **letter of instruction form** and your ID.
